HOST COUNTRY

Curacao is home to national parks, ostrich farms, aquariums, forts and many amazing scuba diving spots. The cuisine is favored by European, Latin American, East Asian and West Indian influences, so dining out is great fun. With year-round warm temperatures, gentle breezes and low humidity, Curacao is a great place to visit year-round.

TRANSPORTATION

Curacao International Airport (CUR) is located on the outside of Willemstad, approximately 23 miles from the Santa Barbara Beach and Golf Resort. Transfers to and from the airport are offered complimentary on the official arrival date of August 6 and official departure date of August 9. Note that we must receive your airline flight information prior to July 22, 2019 to include you on our transfer list.

HOST VENUE – Santa Barbara Beach and Golf Resort

2,000 acres of paradise nestled on the Caribbean Sea awaits us as the host for 2019 CMITE. Beach front, magnificent golf course, hacienda style accommodations are all highlights of our host hotel. Find out more at the hotel's website: www.santabarbararesortcuracao.com.

Main Suppliers have accommodations included with their package for the nights of August 6,7,8. Sharing Suppliers will want to make their accommodations arrangements directly with the hotel. Please make your arrangements as early as possible to take advantage of our group rates. Our rates are all-inclusive of F&B in the property's restaurants and outlets. \$300pp/night with each additional person at \$99 pp/night. Sharing Suppliers please submit names via email to ccorrea@questex.com and we will arrange accommodations.

MEETING SCHEDULE

Access to begin making meeting selections will begin in mid -July for buyers and suppliers. You will receive an email with instructions once the system opens for meeting selections. Be sure to list us as a safe sender to avoid communications generated from the appointment system from getting caught in spam or junk folders.

To begin the process, you will simply rank the buyers that you wish to meet with and a schedule will be generated based on your selections with mutual selections as a priority.

MEETING SPACE

Your company will have a designated private deluxe accommodation room to conduct your one-to-one meetings with pre-qualified buyers. We encourage you to bring marketing collateral, gifts and décor for your meeting room. Please follow all appropriate procedures for customs and duty for packages arriving in Curacao including noting deadlines.

Suggestions:

- Bring enough business cards and collateral
- Customize your discussion to the specific meeting planner needs prior to your meetings
- Consider this an opportunity for a relationship-building meeting more than a sales presentation
